

IGFM

Certified Pro Trader Program (CGT)

The **Certified Pro Trader Program** by IGFM is designed for individuals who aspire to become highly skilled, disciplined, and profitable traders in the financial markets. This program provides **end-to-end professional training** in trading across Equity, Derivatives, Commodities & Currency, empowering learners to trade like seasoned professionals.

Through a combination of **theoretical concepts, practical sessions, and market exposure**, participants gain in-depth knowledge of advanced trading tools, strategies, and risk management techniques. The course also emphasizes **trader psychology and money management**, helping learners build the right mindset to sustain profitability in the long run.

The curriculum also emphasizes **risk management, portfolio building, and behavioral aspects of trading**, helping participants develop the mindset of a professional trader and investor.

By the end of the program, participants will not only have the knowledge to analyze and understand markets but also the skills to create **sustainable wealth and long-term financial growth**. The IGFM Smart Trading & Investment Program is more than just a course – it is a complete roadmap to financial independence and professional success in the trading and investment domain.

The program is suitable for:

- Beginners looking to build a strong foundation in financial markets.
- Working professionals seeking additional income through trading and investments.
- Students aspiring for a career in stock markets, investment advisory, or financial research.
